

## Midnight Skies

The Perishers

Lynn, feels like I'm losing you  
My faith is weak when we're far apart  
There's just one thing that can save  
This restless mind and my heavy heart  
Won't you please help me over land and sea?

Light up these midnight skies  
Light my way tonight  
Two of you can do  
To help me get to you

I think you've heard me say  
My hands are cold but my heart's on fire  
Fear has always held me down  
Been on my knees now I'm aiming higher  
Won't you please guide me over land and sea?

Light up these midnight skies  
Light my way tonight  
Two of you can do  
To help me get to you, oh, alright

Light up these midnight skies  
Light my way tonight  
Two of you can do  
To help me get to you
