

# Blaze

## The Pharcyde

For nights and days we blaze

Inhale, don't it feel good?  
Pass it around so we all could  
Be on the same plain, I dwell amongst the clouds  
Dream of other styles, captivate  
(Meditate)

Open a bag that hasn't been touched  
A pile of bud, a sack of blunts  
Get backwoods to get back, good  
Fools

Number one cash drop  
Five G's to drop  
With no seeds to pop  
Time to recoup

Throw the stress in the trash can  
As we laughin' at the Afghan  
Of the herb I'm a fan  
Thc, keep it all in me

Can't you see, I'm  
Gonna get some bubble gum  
Been around the world like puffy  
Puffin' in exotic hot spots  
(In exotic hot spots)

Spit from heaven above, hourly dove  
She started from the seed to sex the female  
Couldn't cut her  
Couldn't taste her till the hairs was half pale  
Trade affiliated  
Chillin' 96 degrees in the shade faded

And God bless my  
DJ TY  
Keepin' my dubs wise  
Pockets broke in size  
Haterism on the rise  
(No joke, man)

Lacin' up, tokin' herbals, tokin' verbals  
Fuzzy like gerbals  
Off the plant I pick it  
To the paper I stick it

Fine lime fruity smell makes even straights wanna kick it  
Taste it, better organically grown, sun basted  
I go batty batty batty  
Burnt seats in the caddy

Due to 320 hollow florescent sodium  
Clipped and transplanted  
Females, have your eyes slanted  
Iris burgundy

Phasing in and out  
With lots of laughs and a couple of blunts

Up the charts I'm scalin'  
I got the bomb for you  
There's no need for hatin'  
I got nugs you can hug like pimps  
It don't mean a thing to me  
Just don't double clutch

Pass the stuff I know you had enough  
Gettin' all freaky and stuff  
Trees for breakfast, trees for lunch  
Rockin' weed, cool aid punch, Neslie crunch  
Crunch buds, lots of love and peace sign  
I feel fine

For nights and days we blaze

Hella zoned, hella blown  
Hit up my man on the telephone  
Fried, sky high  
Bake for the day, fry now pay later

Comin' up on the superb herb  
Flowers  
Thc powers  
Got me higher than sears towers
