Pandemonium

The Pharcyde

[Verse 1:] See now; catch a vision (aight) view me in the eyes of unequal High above the plains but still remains equal Livin on, no matter how fly there is no sequel I am not a supreme bei ng, freeing people Cause many minds are zombified, that's why t hey never rest Fightin for the light and fightin holes in their chest Merely scavengers but no one who'll confess But in time they will all undress Livin in the lost & found, trapped withou t sound Dappin ass a pound means it's way underground No, calcu lating cause it's all round Round like a figure, in old school calligra-phy So figure that you don't wanna see Far greater tha n the eye so you can fly Cali Used to have a tax on teens now t hey got a tax on me But that's if you can find me I'll be tripp in with the scene with the pan-de..monium
