When all of the squats have been turned into gallery spaces And the punks out on the corner, what's that look on their face s? It says; "What do we do, now that all of the yuppies replaced u s?" Don't worry my brother there's just one world, But many, many, many places

Bitte, Bitte, Bitte, Bitte, (Bitter) Please, don't be. My Friend. Bitte, Bitte, Bitte, Bitte, (Bitter) I'm going back to Mitte Again

We've finally reached the point of super saturation Our feat in the water that stands in for a border of light Condemn and construct distrupt and give up then just sit down Don't worry my brother there's just one ocean But many many ways to displace it

Bitte, Bitte, Bitte, Bitte, (Bitter) Please, don't be. My Friend Bitte, Bitte, Bitte, Bitte, (Bitter) I'm going back to Mitte Again

I made a corporate mess You did a free-lance shit In the cosmic fabric of reality split; Like a brain in two, the left and right The voice of reason, the noise of might Wie cann ich diese veld mit magie koncorllieren?

Don't worry my brother, don't worry my sister Don't worry my land locked wayward drifters

Bitte, Bitte, Bitte, Bitte, (Bitter) Please, don't be. My Friend Bitte, Bitte, Bitte, Bitte, (Bitter) I'm going back to Mitte Again
