

# Honest Man

The Pierces

Oh-oh... Oh-oh-oh-oh...  
Oh-oh... Oh-oh-oh-oh...  
Oh-oh... Oh-oh-oh-oh...  
Oh-oh...

Oh, she's got it bad  
She thinks that she could have it all  
So she holding on for something more  
She sees the writing on the wall  
But she still has her doubts

Oh-oh... Oh-oh-oh-oh...  
Oh-oh...

I was trying hard  
He knew that it was over long before he began to see the end  
But still he keeps on trying, we all do what we can

Oh-oh... Oh-oh-oh-oh...  
Oh-oh...

Caught a ride with an old friend  
It was a bad trend and it was a bad scene  
Headed down to the south folk  
You know with one word but I know what you mean

He was an honest man (Oh-oh... Oh-oh-oh-oh...)  
He was an honest man (Oh-oh...)

Steady as she goes  
She walks a tight, tight wire high up above the ground  
And everybody knows  
He can't stay out forever, there's laws that will pull you down

Oh-oh... Oh-oh-oh-oh...  
Oh-oh...

Caught a ride with the north wind  
It was a bad trend and it was a bad scene  
Headed down to the south folk  
You know with one word but I know what you mean  
Yes, I know just what you mean

He was an honest man on a lost highway  
We all know what we can, he was going my way

Caught a ride with an old friend  
It was a bad trend and it was a bad scene  
Headed down to the south folk  
You know with one word but I know what you mean  
Yes, I know just what you mean

He was an honest man (Oh-oh... Oh-oh-oh-oh...)  
He was an honest man (Oh-oh... Oh-oh-oh-oh...)  
He was an honest man (Oh-oh... Oh-oh-oh-oh...)  
He was an honest man (Oh-oh...)
