

# I Don't Mind

The Pierces

What will you do now  
Everyone has gone home  
Leaving in quiet  
And leaving us to be alone  
I waited too long to say  
I tried to pretend...  
I only want you to stay

If just for tonight  
Don't let me go  
I won't mind it  
Maybe it's right  
We will never know  
I don't mind it....

The day is through now  
Doesn't feel right..  
I can't stand the quiet  
So I lay awake  
All through the night  
We'll journey on  
And just let it play  
Don't ever let it end  
I only want you to stay

If just for tonight  
Don't let me go  
I won't mind it  
Maybe it's right  
We will never know  
I don't mind it....

Wait for a moment  
But there's nothing that  
I can say to you  
So go if you wanna  
There's nothing left  
For me to do

If just for tonight  
Don't let me go  
I won't mind it  
Maybe it's right  
We will never know  
I don't mind it....

If just for tonight  
Don't let me go  
I won't mind it  
Maybe it's right  
We will never know  
I don't mind it....  
I don't mind it.... (3x)
