

Night Owl

The Pietasters

The night owl is coming She's walking through your front door But like I told you baby, I don't love you no more It's been so long since I've kissed your lips It makes my little heart just shrill, oh night owl, night owl. I treated you right, you treated me wrong Bye bye baby, so long. Singing no, no, no, no, no, no, no, no, no, no, no, no, no.

The night owl is coming and she's gonna walk right through that front door But like I told you baby, and like I'm telling you now, I don't love you no more And one more thing, now listen here I hate your guts, you ruined my life Bye bye baby you'll never be my wife Singing no, no, no, no, no, no, no, no, no, no, no, no, no I hate your guts, you ruined my life Bye bye baby you'll never be my wife Singing no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
