

You Know I Love You

The Pigeon Detectives

I heard you were out tonight
I heard you were out tonight
I wanna see you there
I wanna meet you

You're going down tonight
You're going down tonight
I wanna feel you there
I wanna feel you

You know I love you
You know I love you
You know I love you
You know I love you

You wanna wait 'till it's right
I wanna do it tonight
I gotta see that you care
You've gotta show me

You're going down tonight
You're going down tonight
I wanna feel you there
I wanna feel you

You know I love you
You know I love you
You know I love you
You know I love you

You know I love you
Take off your clothes
It's alright
It's alright
It's alright
It's alright

You know I love you
Take off your clothes
It's alright
It's alright
It's alright
It's alright

You know I love you
Take off your clothes
It's alright
It's alright
It's alright
It's alright

You know I love you
Take off your clothes
It's alright
It's alright
It's alright
It's alright

You know I love you
Take off your clothes
It's alright
It's alright
It's alright
It's alright

You know I love you
Take off your clothes
It's alright
It's alright
It's alright
It's alright
