

Goodbye
I must be leaving now
Because maybe
I'm full of likes and dislikes
The noise on the street is unbearable
But maybe
I have got nowhere to go
So I wanna be a bat
And I want to touch the sun
I will try to force a smile
I cannot stand this heat
Please tell me

Where I am right now
I woke up at midnight again
Oh baby
I did not know what to do next
I can't see
But I can feel, all the time
Oh baby
I have got nothing to lose
Just I wanna be a bat
And I want the shining star
I will try to force a cry
I cannot stand this heat
Please tell me
Where I am right now
