

Dead In The Water

The Pineapple Thief

Wanted
The last day
It was beauty to hold
Take back
I would take back
I would claw back
What they stole

Hold on
Just a little bit longer
Just hold on
Just a little bit longer
I hold you
When you're dead in the water
I hold you
When you're dead in the water

Cry out
Just you cry out
Will they answer
Your call
Sense of
Make some sense of
Just don't try it
At all

Hold on
Just a little bit longer
Just hold on
Just a little bit longer
I hold you
When you're dead in the water
I hold you
When you're dead in the water

There is nobody else
My loss
There is nobody else
My loss
There is no other place to die
There is no other place to die

Except for
My arms

My arms

Except for
My arms

Except for (x3)
My arms
