

Deep Blue World

The Pineapple Thief

And you said, watching your old man cry,
And no-one, no-one will ask you why,
And you will unfold,
In you deep blue world
And we will keep hold, of you

And the warning signs,
And you deep blue eyes
And the mother cries,
For you

And you stand your hand ? Out of reach
And go on, go on into the breach,

And you will unfold,
In the deep blue world,
And we will keep hold,
Of you

And the warning signs, and your deep blue eyes,
And the mother cries,
For you
