

I Will Light Up Your Eyes

The Pineapple Thief

Won't you sow,
Some light in here,
The faintest glow,
Is getting near

And I, I will light up your eyes,
I will light up your eyes,
I will light up your eyes,
I will light up your eyes

And I won't go,
Until I see,
The faintest glow,
Is enough for me

Cos I, I will light up your eyes,
I will light up your eyes,
I will light up your eyes,
I will light up your eyes

I will light up your eyes,
I will light up your eyes,
I will light up your eyes,
I will light up your eyes

I will light up your eyes,
I will light up your eyes,
I will light up your eyes,
I will light up your eyes
