

In Exile

The Pineapple Thief

We are in exile you know
We were akin, our lies you know
We were hostile, and we fall to the dead
Don't be afraid to miss me
Don't be afraid to miss me
C'mon don't be afraid to miss me

I am in exile, I know
I am akin, in lies
I was hostile, we fall to the dead
Don't be afraid to miss me
Don't be afraid to miss me
C'mon, don't be afraid to miss me
Don't be afraid to hate me
