In Exile

The Pineapple Thief

We are in exile you know We were akin, our lies you know We were hostile, and we fall to the dead Don't be afraid to miss me Don't be afraid to miss me C'mon don't be afraid to miss me

I am in exile, I know I am akin, in lies I was hostile, we fall to the dead Don't be afraid to miss me Don't be afraid to miss me C'mon, don't be afraid to miss me Don't be afraid to hate me
