

One More Step Away

The Pineapple Thief

I don't know why
You say the things you do
Broken and down
I'm still in love with you

You never meant to play
You never meant...

'Cause I am
Just one step away
And are you
One more step away?
'Cause I am
Just one step away
I'm just one step away

I never meant to play
I never meant to get so far away

I'm never going to find you
I'm never going to find you

You never meant to play
You never meant...

'Cause I am
Just one step away
And are you
One more step away?
'Cause I am
Just one step away
I'm just one step away

'Cause I am
Just one step away
And are you
One more step away?
'Cause I am
Just one step away
I'm just one step away

And I don't know how
I'll live without you
