

Show A Little Love

The Pineapple Thief

What was it you said?
I've got to hold someone?
Or even show a little love?

It's plain to see,
The walls are closing in for you and me.
I cannot help it if I'm taking the wrong way?
I'm taking the wrong way down.

Remember what I said?
I've got to lean on someone.
So show a little love.
And you know what I meant?
You've got to show a little love before...

It's plain to see,
The walls are closing in for you and me.
I cannot help it if I'm taking the wrong way?
I'm taking the wrong way down.

You've got to bring me round.
You've got to beat some sense back.
To show a little love.
So bring yourself around.
And take another shot,
When I'm down...

It's plain to see,
The walls are closing in for you and me.
I cannot help it if I'm taking the wrong way...
We're taking the wrong way down.
