Sooner Or Later

The Pineapple Thief

I know We'll go On with our lives. But you'll go And we know There's no other side. (don't make this hard on me) Don't make this hard, Or we'll fall apart, Sooner or Later And right from the start, We knew we would part, Sooner or Later And still, We will, Try to be strong.

A reason, Just a reason, To finish this song.

(don't make this hard on me)
