

## Take Me With You

### The Pineapple Thief

Tomorrow, tomorrow  
no warning, no warning

And you're the next one  
you're the next one  
and you're the next one  
you're the next one to go

take me with you  
take me with you  
dead without you  
i'm dead without you

if you're the next one  
you're the next you  
if you're the next one  
you're the next one to go

if you're the next one  
if you're the next one  
if you're the next one  
you're the next one to go

if you're the next one  
heard? the next one to go
