

Warm Seas

The Pineapple Thief

I found it
Deserted
My army
Deserted
And I deserved it so much

And I will settle down
With what you've got
I'll settle down
What ever you give me

I'll build it
What I owe you
Imprisoned
I owe you
And you deserve it so much

And I will give you

Clear, warm seas
And golden sand
For you and I

And a cast blue sky
Fading into stars
For you and I
For you and I

And I will give you

Clear, warm seas
And golden sand
For you and I

And a cast blue sky
Fading into stars
For you and I
For you and I
