

## Whatever You Do - Do Nothing

### The Pineapple Thief

it's slipping away  
you're catching the day  
you cannot regret  
what can you expect

it's slipping away

whatever you do it's not enough  
time trips you out and calls your bluff

(this time)

what have you become  
it's over and done  
you cannot appeal  
the ending is real

whatever you do it's not enough  
time trips you out and calls your bluff  
whatever you do it's not enough  
time trips you out and calls your bluff

(this time)

whatever you do it's not enough  
time trips you out and calls your bluff  
whatever you do it's not enough  
time trips you out and calls your bluff  
whatever you do it's not enough  
time trips you out and calls your bluff  
whatever you do it's not enough  
time trips you out and calls your bluff
