

Police The Nation

The Planet Smashers

I don't want your perfection
No, I don't need that
I don't want anything from you
I won't give anything back

Call it selfish, call it what you want
I couldn't give a crap
Cause my right to choose is my right to choose
And I won't let them take that
It's harder and harder, yeah!

Police the soul, police the nation
Police the mind, pollute imagination
Police our love, police sensation
Police freedom, polluting the nation

Didn't ask for your acceptance
No, I don't need that
I won't take anything from you
Gonna have to pass

Don't need your system, I do what I want
yeah I got something to say
It's my right to choose, yeah my right to choose
Try to take that away, no
It's harder and harder, yeah!

Police the soul, police the nation
Police the mind, pollute imagination
Police our faith, police devotion
Police freedom, polluting the nation
Pollute the nation

Police the soul, police the nation
Police the mind, pollute imagination
Police our love, police sensation
Police freedom, polluting the nation
Police the soul, police the nation
Police the mind, pollute imagination
Police our faith, police devotion
Police freedom, police the nation
Police the nation, police the nation, police the nation, yeah
