

## Swayed

The Planet Smashers

Why do you think you get what you want with your wallet  
Impossible to move I'm a rock (no-no-no)  
If you want my attention,  
You had beter change your ways start acting kind  
( no miss-behaving)  
And stop pushinh around I won't be swayed I won't be swayed  
Gifts are nice and present helps but your money can't  
Buy my love no-no-no ( no-no-no)  
If you want my affection you had better change your ways( take  
things easy)  
Send some time ( give more freely)  
Then you'll find the chance increasing of me coming around  
I won't be swayed  
I won't be swayed I'm not gonna cave in no,  
I won't be taken by my wills not breaking  
I won't be swayed
