

For The First Time - Come Prima

The Platters

For the first time, for the first time,
I'm in love
For the first time, for the first time,
I've found happiness
From the moment I saw you,
I was in rapture
Ev'ry moment after that,
I live in the clouds
For the first time, for the first time,
I can thrill
For the first time,
I love you and always will
You're the first one, yes,
the first one
You're my one and only one
For the first time, for the first time,
I'm in love
