

Give Thanks

The Platters

Give thanks, give thanks and the glow will like joy give thanks
, give thanks, get down on your knees and pray I will dream it
alone (people have a place to call my home)x2 I'm sorry to say
I'm praying although I love my joy is fine my joy is far so ve
ry full and with love I pray my thee and I give thanks, I give
thanks to thee Give thanks, give thanks, give thanks to thee
