

Heaven On Earth

The Platters

Heaven on earth, thats what youve made for me since the day we
met
Heaven on earth, its all been so thrilling, I never can forget,
uh-oh

Heaven on earth, alone with an angel, is living in dreams come
true
Heaven on earth, I know that it happens only when Im with you

Paradise seemed so far
Like a star, it twinkled high above me
Now Im wise:
Paradise isnt far at all when youre around to love me, uh-
oh, love me

Oh, heaven on earth, no need in waiting, waiting until I die
Heaven on earth, thats what youve made, a heaven for you and I

A heaven for you and I
