## **Heaven On Earth**

## The Platters

Heaven on earth, thats what you've made for me since the day we met

Heaven on earth, its all been so thrilling, I never can forget, uh-oh

Heaven on earth, alone with an angel, is living in dreams come true

Heaven on earth, I know that it happens only when Im with you

Paradise seemed so far

Like a star, it twinkled high above me

Now Im wise:

Paradise isnt far at all when youre around to love me, uhoh, love me

Oh, heaven on earth, no need in waiting, waiting until I die Heaven on earth, thats what youve made, a heaven for you and I

A heaven for you and I
