

# I Wanna

The Platters

I wanna rock  
I wanna roll  
I wanna sing  
My heart and soul

I wanna dance  
Away my blues  
I wanna chance  
To warm my shoes

I wanna rock 'n roll  
And sing my soul  
And lose my blues  
And warm my shoes, Baby

Baby, Baby, Baby

I wanna hug  
I wanna kiss  
I wanna flip??? after this

I wanna laugh  
Away your blues  
I wanna make  
Ah, love to you

I wanna hug and kiss  
And after this  
And kiss away  
Sittin' here, Baby

Baby, Baby, Baby, Baby

Any time  
Your lips meet mine  
We will find  
Love is divine  
Take a chance  
This is romance  
Ain't ya gonna gonna wanna  
Love me like I do

I wanna rock  
I wanna roll  
I wanna sing  
My heart and soul

I wanna dance  
Away my blues  
I wanna chance  
To warm my shoes

I wanna rock'n roll  
And sing my soul  
And lose my blues  
And warm my shoes, Baby

Baby, Baby, Baby

Ta-ta-ta-ra-ta-ra  
Ta-ta-ta-ra-ta-ra

And sing my soul  
And lose my blues  
And warm my shoes, Baby
