

# Only You

The Platters

Only you  
can make this world seem right  
Only you  
can make the darkness bright  
Only you and you alone  
can thrill me like you do  
and fill my heart with love for only you

Only you  
can make this change in me  
For it's true  
you are my destiny  
When you hold my hand, I understand  
the magic that you do

You're my dream come true  
my one and only you, only you

Only you and you alone  
can thrill me like you do  
and fill my heart with love for only you

Only you  
can make this change in me  
For it's true  
you are my destiny  
When you hold my hand, i understand  
the magic that you do do  
You're my dream come true  
my one my one my one and only you
