

Remember When

The Platters

Remember when I first met you
My lips were so afraid to say, "I love you"

Remember when to my surprise
The heaven in my heart leaped into your eyes

Remember how much I cried
Tears of joy to think you were mine
Darling, down deep inside
I still feel that feeling divine

I loved you then and I still do
I can't remember when I didn't love you

Remember how much I cried
Tears of joy to think you were mine
Darling, down deep inside
I still feel that feeling divine

I loved you then and I still do
I can't remember when I didn't love you
