

September in the Rain

The Platters

The leaves of brown came tumblin' down, remember
In September in the rain

The sun went out just like a dying ember
That September in the rain

To every word of love I heard you whisper
The raindrops seemed to play a sweet refrain

Though spring is here, to me it's still September
That September in the rain

To every word of love I heard you whisper
The raindrops seemed to play a sweet refrain

Though spring is here, to me it's still September
That September in the rain
That September in the rain
