

# Stand By Me

The Platters

When the night has come  
And the land is dark  
And the moon is the only light we'll see  
No I won't be afraid  
ohh I won't be afraid  
just as long as you stand  
stand by me

So darling darling  
stand by me  
ohh stand by me  
ohh stand  
stand by me  
stand by me

If the sky  
that we look upon  
should tumble and fall  
or the mountain should crumble through the sea  
I won't cry  
I won't cry  
no I won't shed a tear  
just as long as you stand  
stand by me  
and darling, darling stand by me  
oh stand by me  
whoa stand now  
stand by me  
stand by me

darling, darling stand by me  
ohstand by me  
oh stand now  
stand by me  
stand me  
whenever you're in trouble  
won't you stand by me  
oh won't you stand by me  
whoa
