Try a Little Tenderness

The Platters

In the hustle of the day, we're all inclined to miss Little things that mean so much, a word, a smile and a kiss When a woman loves a man, he's a hero in her eyes And a hero he can always be if he'll just realize

She may be weary, women do get weary Wearing the same shabby dress And when she's weary, try a little tenderness

She may be waiting, just anticipating Things she may never possess While she's without them, try a little tenderness

It's not just sentimental She has her grief and her care But a word that's soft and gentle Makes it easier to bear

You won't regret it, women don't forget it Love is their whole happiness And it's all so easy, try a little tenderness
