### The Plot in You

What's stopping you this time from everything you know you want  
to do  
I waited outside for you, with nothing but my fists and rage  
I saw you peak out the window, I'll be here until the morning b  
reaks  
I'll never let this go, you better lock your doors, I am coming  
for you  
You better pray I shed an ounce of mercy for you  
You better pray
