

Dreaming as One

The Pointer Sisters

The morning dove's singin'
Her sweet lullaby
Her love is still thinkin'
Of how he'll reply
As I reach for you
You open your eyes
As if somehow you knew
The need in my life
As you always do
Slowly you come
And though we sleep as two
We're dreaming as one
Dreaming as one

A child in his slumber
His world is at rest
I can't help but wonder
Why I am so blessed

As I lie with you
Awaiting this day
I give my thoughts to you
I silently pray
That love will see us through
The darkness to come
And though we sleep as two
We'll dream on as one
Dreaming as one
Dreaming as one

As I reach for you
You open your eyes
As if somehow you knew
The need in my life
As you always do
Slowly you come
And though we sleep as two
We're dreaming as one
Dreaming as one
Dreaming as one
Dreaming as one
