No Time This Time

The Police

No time for complexities [the niceties] of conversation No time for smiles, no time for knowing No [Less] time for intricacies of explanation No [Less] time for sharing [caring] even less for showing If I could, I'd slow the whole world down I'd bring it to it's knees I'd stop it spinning round But as it is, I'm climbing up an endless wall No time at all No time this time No time at all No time this time No time for a quick kiss [cigarette] at the railway station No time for a suitcase, sandwich and a morning paper Only time for time table calls and transportation No time to think no time to dare If I could, I'd slow the whole world down I'd bring it to it's knees I'd stop it spinning round But as it is, I'm climbing up an endless wall No time at all No time this time No time at all No time this time If I could, I'd slow the whole world down I'd bring it to it's knees I'd stop it spinning round But as it is, I'm climbing up an endless wall No time at all No time this time No time at all No time at all
