## **On Any Other Day**

You got it. There's a house on my street And it looks real neat I'm the chap who lives in it

There's a tree on the sidewalk There's a car by the door I'll go for a drive in it

And when the wombat comes He will find me gone He'll look for a place to sit

My wife has burned the scrambled eggs The dog just bit my leg My teenage daughter ran away My fine young son has turned out gay

Cut off my fingers in the Door of my car How could I do it?

My wife is proud to tell me Of her love affairs How could she do this to me?

My wife has burned the scrambled eggs The dog just bit my leg My teenage daughter ran away My fine young son has turned out gay And it would be O.K. on any other day And it would be O.K. on any other day

Throw down the morning papers And spill my tea I don't know what's wrong with me

The cups and plates are in a Conspiracy I'm covered in misery

My wife has burned the scrambled eggs The dog just bit my leg My teenage daughter ran away My fine young son has turned out gay And it would be O.K. on any other day And it would be O.K. on any other day

And it would be O.K. on any other day
