

In Europe and America  
There's a growing feeling of hysteria  
Conditioned to respond to all the threat  
In the rhetorical speeches of the Soviets

Mister Krushchev said, "We will bury you"  
I don't subscribe to this point of view  
It'd be such an ignorant thing to do  
If the Russians love their children too

How can I save my little boy  
From Oppenheimer's deadly toy?  
There is no monopoly of common sense  
On either side of the political fence

We share the same biology  
Regardless of ideology  
Believe me when I say to you  
I hope the Russians love their children too

There is no historical precedent  
To put the words in the mouth of the president?  
There's no such thing as a winnable war,  
It's a lie we don't believe anymore

Mister Reagan says, "We will protect you"  
I don't subscribe to this point of view  
Believe me when I say to you  
I hope the Russians love their children too

We share the same biology  
Regardless of ideology  
What might save us, me and you,  
Is if the Russians love their children too
