

Spirits in the Material World

The Police

There is no political solution.
To our troubled evolution.
Have no faith in constitution.

There is no bloody revolution.
We are spirits in the material world.

Are spirits in the material world.
Are spirits in the material world.
Are spirits in the material world.

Our so called leaders speak.
With words they try to jail you.

The subjugate the meek.
But it's the rhetoric of failure.
We are spirits in the material world.

Are spirits in the material world.
Are spirits in the material world.
Are spirits in the material world.
Where does the answer lie?
Living from day to day.

If it's something we can't buy.
There must be another way.
We are spirits in the material world.

Are spirits in the material world.
Are spirits in the material world.
Are spirits in the material world.

Are spirits in the material world.
Are spirits in the material world.
Are spirits in the material world.

Are spirits in the material world..
