

Leaving The Past To Pass

The Poodles

I hope you know, I'll always love you
But we can't go on
The dream we had somehow slipped away

Every night, I'm a ghost 'til the morning comes
In my eyes, you outshine the sun

I am walking away tonight
Knowing that you won't be by my side
Healed or broken I can't decide
We couldn't last I can see to the other side
There is another new kind of life
For better or worse now I cannot tell
I stayed for the last time
I'm leaving the past to pass

You deserve so much better and baby, so do I
Let's be honest, we need to say goodbye

I am walking away tonight
Knowing that you won't be by my side
Healed or broken I can't decide
We couldn't last I can see to the other side
There is another new kind of life
For better or worse now I cannot tell
I stayed for the last time
I'm leaving the past to pass
