

Like No Tomorrow

The Poodles

I had enough of ball and chain
Watch me go against the grain
In a time when the giants fall
I don't ask for much, I just want it all

'Cause tonight we'll beg, steal, borrow
Live like no tomorrow
A shot of life to come back alive
Yeah, tonight we'll bring no sorrow
Live like no tomorrow
Keep the fire burning tonight

Gonna break my rusty cage
And it's time to turn another page
I know everything isn't what it seems
Well i just don't care 'cause I live my dream

'Cause tonight we'll beg, steal, borrow
Live like no tomorrow
A shot of life to come back alive
Yeah, tonight we'll bring no sorrow
Live like no tomorrow
Keep the fire burning tonight
Yeah tonight!

'Cause tonight we'll beg, steal, borrow
Live like no tomorrow
A shot of life to come back alive
Yeah, tonight we'll bring no sorrow
Live like no tomorrow
Keep the fire burning tonight
Yeah tonight!
Tonight!
