

Flavor Of The Month

The Posies

Can you hear it?-like an invitation
Can you feel it?-it's a revelation

The flavor of the month is busy melting in your mouth
Getting easier to swallow and harder to spit out

Can you hear it?-does the sound remind you?

Can you feel it?-it's gonna redefine you

The flavor of the month is busy melting in your mouth
Getting easier to swallow and harder to spit out

Can you hear it?-like an invitation
Can you feel it?-a reverberation

The flavor of the month is busy melting in your mouth
Getting easier to swallow and harder to spit out
