

Placebo

The Posies

I'm just not sure
Of where to stand
But I don't need to have a sense of judgement
I don't need everything

If you don't know
You never might
And you could try to have a sense of wonder
You could try anything
You could try anything

But if you think i'm gonna let it show
Well, it's something we may never know
Placebo
Placebo
Placebo
Placebo

Inside myself
Words will not tell
I can't stand it when the cupboard's barren
And all my sweet saccharine
And all my sweet saccharine

But if you think i'm gonna let it show
Well, it's something we may never know
Placebo
Placebo
