

No Fun

The Presets

No fun, home I'm all alone,
Thinkin' a summer I could go someone
Lockdown, comfortable enough
Wrapped up, comatose, sitting in the club
Ding dong, rang from outside
Gentlemen requested let's go for a ride
Diamonds in the back, Sunroof top
Just like a song I knew when I was young

(Music makes you wanna, oh)
(Music makes you wanna)
I could go,
(It's okay, we're gonna)
(So and tonight we're gonna)

I could go,
(Music makes you wanna, c'mon)
(It's okay, we're gonna, woah!)
Crazy in a place like this

(Music makes you wanna, oh)
(Music makes you wanna, whoop!)
(It's okay, we're gonna)
(So and tonight we're gonna)

(Music makes you wanna, c'mon)
(It's okay, we're gonna, woah!)
(The music's playin', we wanna)
(And tonight we're gonna)

Good God, it's coming on hard
This is a feelin' I haven't felt for a while
Shaking in my boots, dipped in gold
Think I'll settle down, stay for awhile

I could go,
(Music makes you wanna)
(Music makes you wanna)
I could go,
(It's okay, we're gonna)
(So and tonight we're gonna)

I could go,
(Music makes you wanna, c'mon)
(It's okay, we're gonna, woah!)
Crazy in a place like this
(And tonight we're gonna)

I could go,
(Music makes you wanna)
(Music makes you wanna, whoop!)
I could go,
(It's okay, we're gonna)
(So and tonight we're gonna)

I could go,
(Music makes you wanna, c'mon)

(Its okay, we're gonna, woah!)

Crazy in a place like this

(Music makes you wanna)

(Music makes you wanna, whoop!)

(Its okay, we're gonna)

(So and tonight we're gonna)

(Music makes you wanna, c'mon)

(Its okay, we're gonna, woah!)

(The music's playin', we wanna)

(And tonight we're gonna)

Ten ton, elephant lurks

Couldn't frighten me away from this love

Pop up on stage, pop up on minds

Think I'll settle down, stay for a while

I could go,

(Music makes you wanna, oh)

(Music makes you wanna)

I could go,

(Its okay, we're gonna)

(So and tonight we're gonna)

I could go,

(Music makes me wanna, c'mon)

(Its okay, we're gonna, woah!)

Crazy in a place like this

(And tonight we're gonna)

All I'm sayin' is,

(Music makes you wanna, oh)

(Music makes you wanna)

All I'm sayin' is,

(Its okay, we're gonna)

(So and tonight we're gonna)

All I'm sayin' is,

(Music makes you wanna, c'mon)

(Its okay, we're gonna, woah!)

Happy in a place like this

(Music makes you wanna, oh)

(Music makes you wanna)

(Its okay, we're gonna)

(So and tonight we're gonna)

(Music makes you wanna, c'mon)

(Its okay, we're gonna, woah!)

Happy in a place like this

Happy in a place like this

(Music makes you wanna, oh)

(Music makes you wanna)

Happy in a place like this

(And tonight we're gonna)

(Music makes you wanna, c'mon)

(Its okay, we're gonna, woah!)

(The music's playin', we wanna)

(So and tonight we're gonna)

(Music makes you wanna)
(Music makes you wanna, whoop!)
(Its okay, we're gonna)
(So and tonight we're gonna)

(Music makes you wanna, c'mon)
(Its okay, we're gonna, woah!)
(The music's playin', we wanna)
(And tonight we're gonna)

I could go,
(Music makes you wanna)
(Music makes you wanna, whoop!)
I could go,
(Its okay, we're gonna)
(So and tonight we're gonna)

I could go,
(Music makes you wanna, c'mon)
(Its okay, we're gonna, woah!)
(The music's playin', we wanna)
(So and tonight we're gonna)

I could go,
(Music makes you wanna)

I could go,
(Its okay, we're gonna)
(So and tonight we're gonna)

I could go,
(Music makes you wanna, c'mon)
(Its okay, we're gonna, woah!)
