

Pretty Little Eyes

The Presets

Tonight I'll see you, and I'll know just what to say
Tonight you'll be there, and I'll know just what to say

Tonight I'll meet you, and I'll know just what to do
But then I see you, and you split my head in two

With your pretty little face
Your pretty little eyes
Your pretty little legs
Your pretty little smile
Your pretty little hips
Your pretty little thighs
Your pretty little tits
Your pretty little lies
Your pretty little...

One day I'll see you, and I'll know just what to say
One day I'll see you, and I'll know just what to do

But now I see you, and I want to fly away
Yeah now you're right here, and I don't know what to do

With your pretty little face
Your pretty little eyes
Your pretty little legs
Your pretty little smile
Your pretty little hips
Your pretty little thighs
Your pretty little tits
Your pretty little lies

Your pretty little face
Your pretty little eyes
Your pretty little legs
Your precious little smile
Your pretty little ass
Your juicy little thighs
Your lovely little tits
Your pretty little lies

Your pretty little...

Hey you know, sometimes I go down to the club
See all the beautiful people dancing all around
The pretty girls come up to me, and I don't know what the fuck to do

With your pretty little face
Your pretty little eyes
Your pretty little waist
Your precious little smile
Your precious little hips
Your juicy little thighs
Your lovely little tits
Your pretty little lies

Your pretty little face
Your pretty little eyes

Your tiny little waist
Your precious little smile
Your pretty little hips
Your juicy little thighs
Your pretty little tits
Your pretty little lies

Your pretty little face
Your tiny little...
