

Surrender

The Presets

Oh oh oh ohhhh ayyyy sweat
Oh oh oh ohhhh ayyyy sweat

I've gone and spilled it all over myself
This bucket of love
I was sharin' it with my brothers

We snuck a photo of my bare head
And sent it to the world
For the thoughts of a million addicts

Sweat

It wont be forever, it wont be remembered
(Ohhhh ayyyy)
Sweat to surrender
It wont be remembered, it wont be forever
(Ohhhh ayyyy)
Sweat to surrender
Nothin' will save ya from epic behaviour
(Ohhhh ayyyy)
Sweat to surrender
Huffin' and bouncin' it won't count for nothin'
(Ohhhh ayyyy)
Sweat to surrender

Follow me the deeper I go
I'm beggin' for more
As I dance over all my yesterdays

Black feline knockin' at my door
It's a kitty for one end
Askin' how can I loose the memory
Of sucker dash sufferin'

Sweat to surrender

It wont be forever, it wont be remembered
(Ohhhh ayyyy)
Sweat to surrender
It wont be remembered, it wont be forever
(Ohhhh ayyyy)
Sweat to surrender
Nothin' will save ya from epic behaviour
(Ohhhh ayyyy)
Sweat will sustain ya
Huffin' and bouncin' it won't count for nothin'
(Ohhhh ayyyy)
Sweat to surrender

Down I fall
With everything I used to know
And if you even looked down my face
Before I ever felt so oh my gee eff aaa ooo

Oh oh oh ohhhh ayyyy sweat
Oh oh oh ohhhh ayyyy sweat

It wont be forever, it wont be remembered
(Ohhhh ayyyy)
Sweat to surrender
It wont be remembered, it wont be forever
(Ohhhh ayyyy)
Sweat to surrender
Nothin' will save ya from epic behaviour
(Ohhhh ayyyy)
Sweat will sustain ya
Huffin' and bouncin' it won't count for nothin'
(Ohhhh ayyyy)
Sweat to surrender

It wont be forever, it wont be remembered
(Ohhhh ayyyy)
Sweat to surrender
It wont be remembered, it wont be forever
(Ohhhh ayyyy)
Sweat to surrender
Nothin' will save ya from epic behaviour
(Ohhhh ayyyy)
Sweat will sustain ya
Huffin' and bouncin' it won't count for nothin'
(Ohhhh ayyyy)
Sweat to surrender
