

# Talk Like That

## The Presets

My, how you've grown  
I think I'll call you on the telephone  
And tell you all the things that I've been missing

Turn out the lights  
Where we're going we don't need 'em tonight  
We're at your daddy's home but he's not listening

You make me crazy when you  
Talk like that  
I might go crazy when you  
Talk like that

You know I love it when you  
Talk like that  
And girl I'm crazy when you  
Talk like that  
You make me crazy when you

Our time has come  
Start of the race and we're ready to run  
We're on a roll tonight and you won't fight it

Don't like to see  
Sitting They ought to try sometime they might just like it

Talk like that  
I might go crazy when you  
Talk like that

A little creepy when you  
Talk like that  
Girl I love it when you  
Talk like that  
You make me crazy when you

You make me crazy when you  
Talk like that  
I might go crazy when you  
Talk like that

A little scary when you  
Talk like that  
But kid I love it when you  
Talk like that  
You make me crazy when you
