## The Presets

Oooooooh skat

Am I pleased to meet ya  
Picture from the people  
Somethin I got to teach ya

Oooooooh crack

You're quite the creature  
Girl from the creature feature  
Tasty like to eat ya  
Thinkin' so nasty

Just got me feelin' so nasty

Oooooooh pop

I'll take you from the eighties  
Bimbos rock the latex  
Dingos gots the babies

But oooooooh stop

Look we're ready to rumble  
Girlfriend can you show me  
The way that the cookie crumble  
Thinkin' so nasty

Just got me feelin' so na-

Keep it rockin baby  
Don't try to hide it none  
Give me somethin and I won't try to fight it none  
All the troubles in my mind they don't feel so bad  
When you got me in your palm slidin' in your hand

Oooooooh snap

Girls got to eat ya  
Cookin' I gots a t-bone  
Hungry I need to feed her

Oooooooh chun

Touched quite a female  
Checked all the styles she show  
Chick don't reply to email  
Thinkin so nasty

Just got me feelin' so na-

Keep it rockin baby  
Don't try to hide it none  
Give me somethin and I won't try to fight it none  
All the troubles in my mind they don't feel so bad  
When you got me in your palm slidin' in your hand

Keep it pumpin' baby  
Don't try to hide it no  
Give me somethin and I won't try to fight it girl  
All the problem in the world I don't understand  
When you got me in your arm slidin' in your hand

Yippiyo-Ay  
When you wear a smile

Yippiyo-Ay  
When you rock a frown

Yippiyo-Ay  
When you goin off

Yippiyo-Ay  
When you comin down

Yippiyo-Ay  
When I'm feelin bad

Yippiyo-Ay  
When I'm feelin sad

Yippiyo-Ay  
No it aint so bad

Yippiyo-Ay  
When I'm in your hands

Keep it rockin' baby  
Don't try to hide it none  
Give me somethin' and I won't try to fight it none  
All the troubles in my mind they don't feel so bad  
When you got me in your palm slidin' in your hands

Keep it pumpin' baby  
Don't try to hide it none  
Give me somethin and I won't try to fight it girl  
All the problem in the world I don't understand  
When you got me in your arm slidin' in your hand
