

## Blame Me

### The Pretty Reckless

Sitting in the back, baby park it or drive  
Breathing out the cracks just to stay alive  
Earthquake, body shake, joke is all on me  
I remember when, I remember the time  
Didn't have to take just to feel alive  
Eyes black, head back, joke is all on me

Blame all your life on me  
Blame all your life on me  
I give it all for free  
Blame all your life on me  
On me, oh

Everything I wanted was in my hand  
I gave it all up for a better man  
Beat me down but on the ground I stand  
Sitting in the back, baby how do you lie?  
If I'm about to crack, keep the pedal in drive  
All this time the joke was all on me

Blame all your life on me  
Just blame all your life on me  
I give it all for free  
Blame all your life on me

Hear me with the wind again  
Hear me with the wind I hope  
I have lost a friend again  
I have lost a friend I hope, how the story goes

Blame all your life on me  
You blame all your life on me  
Because I give it all for free  
So blame all your life on me  
All on me, oh
