

Kill Me

The Pretty Reckless

Everyday I wake up
Everyday I wake up alone
Everyday I wake up
Everyday I wake up alone

Let me open up a discussion with "I'm not impressed with any mother fucking word I say"

See I lied that I cried
When he came inside
And now I'll burn a Highway to hades
SHUT THE FUCK UP
When I'm trying to think
I gotta keep my concentration, give me one more drink

And then I'll try to remember all the advice
That my good book told me
And all the lost souls say

Every day I wake up
Every day I wake up alone
(Kill me, just kill me)
Or get me out of the sun
Every day I wake up
Every day I wake up alone
(Kill me, just kill me)
Someone get me out of sun

Drugs, bars, backseats of cars
Blowing boys, what a boring life
I've let so far
just prime thirteen when I rode his machine
Tried to keep my body dirty and my eyes closed and clean
So with a wink and smile and the veil of meth
I took his hand and than we walked
Through the shadow of death

And then I try to remember all the advice
That my teacher told me
And all the lost souls say

Every day I wake up
Every day I wake up alone
(Kill me, just kill me)
Or get me out of the sun

Every day I wake up
Every day I wake up alone
(Kill me, just kill me)
And get me out of the sun
Someone get me out of the sun
Someone get me out of the sun

Deep, deeper, deeper inside
Pull the wool nice and tight
So that is covers you eyes
Can find a God, a Love, a Jesus, a Father

I don't even care that much
So why do I every bother?

So let me just end how I was
Gonna begin
Don't waste your time waiting couse I'm going back in

Now if I could just remember all the advices
That my mother told me
And all the
And all the lost souls say...

Every day I wake up
Every day I wake up alone
(Kill me, just kill me)
Or get me out of the sun

Every day I wake up
Every day I wake up alone
(Kill me, just kill me)
Just get me out of the sun
(Kill me, just kill me)
Someone get me out of the sun
(Kill me, just kill me)
Someone get me out of the sun
