

Light Me Up

The Pretty Reckless

Is what I'm wearing seem to shock you?
Well, that's okay
Cause what I'm thinking about you is not okay
Got it on my mind to change my ways
But I don't think I can be anything other than me
I don't think I can be anything other than me

You have a light
Can you make me feel alright?
There's plenty of light to go around
Do you think its right when you hit me to the ground?
Well, light me up when I'm down

Is what I'm saying seem to haunt you?
well, that's okay
Cause what I'm saying about you is not okay
Got it on my mind to change my ways
But I don't think I can be anything other than me
I don't think I can be anything other than me

You have a light
Can you make me feel alright?
There's plenty of light to go around
Do you think its right when you hit me to the ground?
Well, light me up when I'm down

Light me up when I'm down

Is what I'm taking seem to bother you?
Well, that's okay
Cause I can't take it all without you, and I'm okay
Got it on my mind to change my ways
But I don't think I can be anything other than me
I don't think I can be anything other than me

You have a light
Can you make me feel alright?
There's plenty of light to go around
Do you think its right when you hit me to the ground?
Well, light me up when I'm down

Light me up when I'm down
